

Job Overview:

Cadman Power Equipment Limited, located in Courtland, ON is a designer, manufacturer and global distributor of irrigation and manure management systems & high-volume fluid transfer solutions within the oil and gas industry; and been rooted in our community for more than 70 years.

We are seeking a dedicated and detail-oriented **Warehouse Receiver, Material Handler** to join our dynamic team. In this role, you will be responsible for ensuring the efficient movement and management of materials within our warehouse environment. The ideal candidate will have experience with warehouse management systems and possess strong organizational skills to support our order fulfillment processes.

Duties:

- Operate forklifts and reach trucks to transport materials safely within the warehouse.
- Utilize warehouse management systems for inventory tracking and order processing.
- Perform order picking tasks accurately to fulfill customer orders in a timely manner.
- Maintain cleanliness and organization of the warehouse space to promote safety and efficiency.
- Assist with inventory counts and cycle counts as required to ensure accurate stock levels.
- Collaborate with team members to streamline processes related to e-commerce order fulfillment

Qualifications:

- Previous experience in a warehouse or material handling role in a manufacturing environment is required
- Familiarity with electronic warehouse management systems is a plus.
- Proficiency in basic math skills for inventory management and order processing.
- Ability to operate forklifts and reach trucks safely; certification may be required.
- Strong attention to detail with a focus on accuracy in order picking and packaging.
- Excellent communication skills and the ability to work effectively in a team environment.
- A proactive attitude towards problem-solving and process improvement initiatives.

Join us as a **Warehouse Receiver, Material Handler**, where your skills will contribute significantly to our operational success!

We thank all applicants for your interest in working for Cadman Power Equipment. Only candidates already eligible to work in Canada will be reviewed, and those applicants who have been selected for an interview will be contacted. *Cadman Power Equipment Limited strives to create a respectful, accessible, and inclusive work environment. Upon individual request, hiring processes will be modified to remove barriers to accommodate those with disabilities. Should any applicant require accommodation through the application, interview, or selection processes; please contact the Human Resources Department via the email address listed on the job advertisement.*
